Dear Bill,

Thanks for the FTA Bulletin 4,
November 1986. The FTA is fortunate
to have you as Secretary/Treasurer.

I appreciate the fact that
someone has nominated me for
Secretary/Treasurer for 1987/1988.
Given my nervousness & the sport
and to the FTA, I would not
be good for the position — in
the very unlikely event that
I were elected. As such, I shall
decline the nomination.

②
Sometime down the road, however,
after I have more knowledge of
and experience with the flying
typler sport, I would be
happy to accept a nomination
for the position of Secretary/Treasurer.

1987 bank — please send
me 75; as the price the
same as last year? as the
assumption that they are,
I have enclosed a check
for \$10.50. If I owe the FTA
more, please let me know & I
will pay the supplement at

③
once.

Glad to hear that there will
be a meeting of the F.T.A.
in Doringtown. Weather
permitting, I will attend
that meeting.

Sincerely,

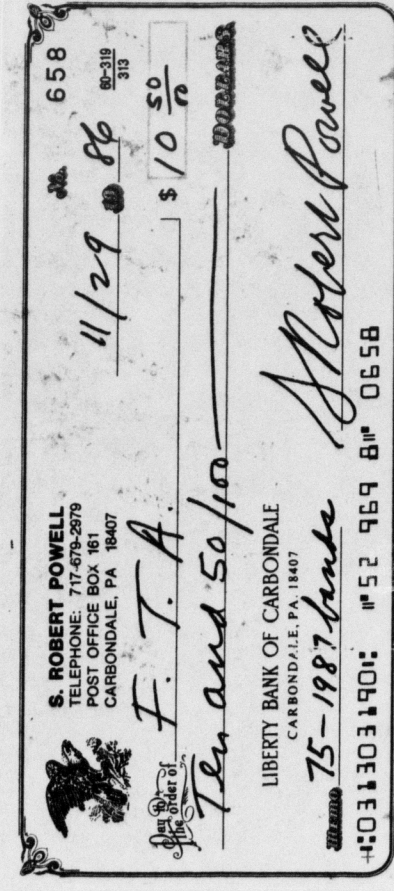

S. Robert Powell
